

**SPACE TO RECHARGE
CHALLENGE CARD**

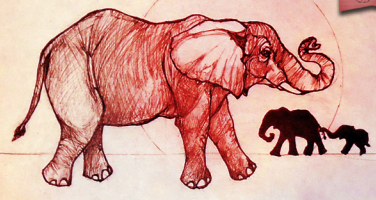

Recharge

Beautiful, quiet spaces to recharge safely are important. Design a way for your citizens to feel better & catch their breaths.

Artwork by Kelly Tambull.

**BROKEN ROADWAYS!
CHALLENGE CARD**

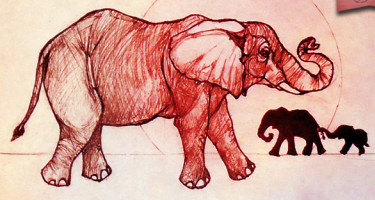

Transport

Create secure movement pathways for when your city has had an earthquake or flood.

Artwork by Kelly Tambull.

**SPACE TO BREATHE
CHALLENGE CARD**

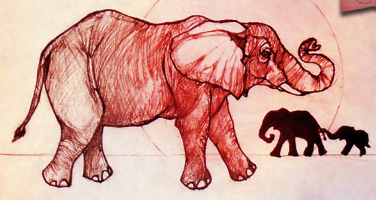

Urban Nature

Everyone needs safe spaces to be by themselves in nature; create the best green spaces all over your city.

Artwork by Kelly Tambull.

**BEST SOLUTIONS!
CHALLENGE CARD**

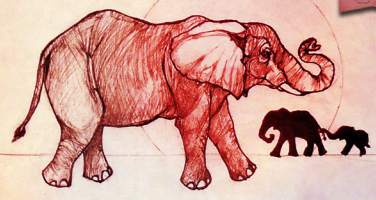

Non-Toxic

All purpose solvent. Determine five healthy ways your city's materials, transportation or energy could use water well.

Artwork by Kelly Tambull.

**WATERWAY HEALTH
CHALLENGE CARD**

Waterways

Cities are many degrees hotter than nearby land. Imagine how to care for the waterways as recreational and cooling spaces.
